Rev. J. W. Fishburne, Colored,  
Again Indicted for Securing  
Money Under False Pretence.

(Special to The Times-Dispatch.)

PETERSBURG, VA., April 21.—Bids were opened April 19th in Norfolk for the work of diverting the Appomattox River, only two of which came within the \$200,000 appropriated for the purpose by Congress. The lowest bid was submitted by the Atlantic Dredging Company, of Philadelphia, their bid being \$137,492. Messrs. Isaac T. Brown & Co., of New York, submitted a bid of \$187,111. The matter of accepting the bids will be determined in the office of the chief engineer in Washington.

In the Hustings court to-day, the Rev. James W. Fishburne, colored, was indicted on the charge of obtaining money under false pretences from John Tucker, colored. A true bill was also returned in the case of George Woody alias Ell Sundberg, charged with felony. The grand jury failed to return a true bill against Albert Scott, colored, charged with setting fire to the lumber at the plant of the Seward Lumber Company.

destroy all unused ballots as soon as the polls are closed, and this part of the plan may be reconsidered, though this is unlikely.

The McCarthy people are pinning much faith to the Academy meeting, and they will likely not be disappointed, as nearly every speech of their candidate so far has had the effect of giving his stock an upward turn.

It has been stated that nearly all the officers and employees in the City Hall are for Mayor Taylor. Knowing ones in the city government do not agree to this claim, and they say on the other hand, that the situation is chaotic, and that Captain McCarthy will get a fair share of City Hall votes.

Neither Captain McCarthy nor Mayor Taylor, however, seem much inclined to give out claims as to their strength, but are working hard day and night to capture additional votes.
